Yvonne Olinger, Registrar 6580
Terry Mathias, Registrar 6510
Dawn Rae Ard, Registrar 6490
Ron Schettler, Facilities Chair
Tim Lee, Sgt At Arms

Land of Lincoln PETS

Wrap Up Meeting

March 13, 2016

Mel Weith opened comments by thanking everyone for their great work this weekend. There were no apparent problem throughout the weekend and it was directly related to the committee's work and the Keller Convention Center staff. The general consensus was that the U-shaped rooms worked well.

Jill Pietrusinski: Set the PN room next year in U-shape; possibly move D6580 into Washington and the PNs into Truman.

Larry Howell: Put the PNs together by District for the first two sessions of the PN training. PNs should be included in the district breakout sessions.

Terry Mathias: Brest facilitators ever!

Joe Mikulecky: Great job by the convention center staff.

Kevin Yonce: DGN and PNs should be in the district break outs.

Tom Ripperda: Cudos to the staff.

Tim Lee: Reported meal total as Sat Lunch at 198; Sat Dinner at 154; Sun Breakfast at 128; Sun Lunch at 119.

Ron Schettler: Fantastic job. Facilitators seemed pleased with the process. We keep improving. The room size for the PNs needs to be adjusted and reset their agenda.

Yvonne Olinger: More training on DaCdb for the Pes is needed. Possibly develop a sheet or document of minimum requirements to attend the various levels session.

Dawn Rae Ard: Agreed the attendees need more on DaCdb and Rotary Central. Possibly setting up work stations in the hallways next year for one-on-one training with the folks we trained this year.

Sheri Sherman: We may need to expand and do some pre-training on DaCdb for the Train The Trainers.

Wayne Gerlock: DaCdb still is a problem in all districts; We may need to set up sessions for "Basic" and "Advanced" training for Pes, PNs, and AGs. Much more training is needed for Pes on data submission and using My Rotary. Each district needs to use those that were in the Train The Trainer sessions to expand the training in your individual districts.

P-Text is coming to DacDb with 140 character limit. When you enter your cell number in DaCdb, you have to list the carrier, too. Registration went great this year with Dawn, Yvonne and Terry.

Laura Carie: I heard nothing but positive comments this weekend.

Dave Matthews: Room 4/5 worked well for D6510. Possibly expand AG training to all afternoon on Friday and Friday evening. Would also like to see one-on-one help desk with DaCdb.

Bryce Adams, Jerry Erskin & Dale Bashem; All were glad to be here this weekend and will be making application as a guest district for 2017.

Judy Bush: Chad Stutsman and Eric Luedtke were wonderful speakers. Sad that our numbers dropped on Sunday and more didn't hear their message.

Greg Yank: Questioned if we had asked R.I. for a Foundation Trustee to come speak. He would help coordinate that for us.

Next meeting is May 15, 2016 beginning at 1:00 p.m. Central Time in Effingham.

Rotary Club of St. Clair County (West), Shrine of Our Lady of the Snows,
Meetings: Noon Wednesday, Belleville, IL 62223
