

Jessika Hane began her Rotary journey with a visit to the Logansport Rotary Club (District 6540) as a teen. She was impressed by the kindness, enthusiasm and interest that a group of professionals would give to her, a high school senior. She officially joined the Bloomington Sunrise Club in 2007, after waiting patiently to be asked to join Rotary for many years. In her club, she has served as a Board Member, Fundraising Chair and as Club President in 2011-2012. She is currently the Assistant Governor for Area 4 in District 6580 and has supported District level trainings on multiple occasions.

She is married to Bryan Hane (also a Rotarian) and together they are raising the next generation of Rotarians including their own children- Grace (5), Eleanor (2) and infant boy/girl twins, Alexander and Artemis.

Professionally, Jessika is the Human Resources Director at Oliver Winery in Bloomington, IN, where she has worked since 1999. At Oliver, she is fortunate to be a member of the leadership team, working to ensure sustainable growth through effective hiring, dynamic training and strategic planning. She also loves to give tours of the facility and happily extends a personal invitation to all Rotarians to come, visit and have a taste. She holds two degrees from Indiana University and serves in leadership positions on the board of multiple non-profits in Bloomington.

Jessika and Bryan are members of the Paul Harris Society and have recently established the Hane Family Endowment at the Community Foundation of Bloomington Monroe County. They love to travel and are members of many Rotary fellowships, including the Wine Fellowship, RV Fellowship, Whiskey DRAM Fellowship and Scouting Fellowship.

In her free time, she enjoys cooking with her kids, going to the theatre, saving the environment (ask her about the solar panels!) and blogging about motherhood, leadership and lifelong learning. She loves to laugh, to talk in front of groups of people and as a vegetarian, she LOVES a good Rotary breakfast meeting.
