We can't wait to see you all next week at Land of Lincoln PETS. This required training for all incoming Presidents is unique each year. Even if you are a returning President, you don't want to miss the General Sessions for inspiration, and the training sessions for important NEW information that is unique to the upcoming Rotary year. The most successful clubs bring their President Elect and Nominee annually and the engagement and attraction of those clubs stand out in their Districts. If you haven't registered, it's not too late. ### **Rotary's Action Plan and You**

Learn how Rotary's Action Plan can help your club increase its impact, expand its reach, better engage its members, and keep adapting to a changing world.
