Message from LOLPETS Chair Shari Sherman, PDG 6580

Thank you for your willingness to serve your Rotary Club in leadership. The LOLPETS Planning team is working hard to make this an incredible opportunity for the Rotary Club Presidents-Elect, Nominees and Assistant Governors. What should you do to maximize the experience? Now is the time to plan your upcoming year. It may look different than you imagined yet that creates opportunities to lead your Club in new and innovative ways! Your experience at PETS will help take those ideas you have now and allow you to build a plan to make it happen. Each Newsletter has a Rotary Learning Center course to guide you. This issue is all about building your teams. Have you started? We will have registration open in January so for now save the dates on you calendar so you will be able to fully participate in the sessions.
