Club Elections and reporting due by 12/31/2020

It is an expectation that all Rotary Clubs hold their elections for the upcoming year by 12/31/2020. That includes selecting your President-Elect and your President Nominee who will serve in 2022-2023. All incoming officers should be entered into DACDB in the current Rotary year as an "elect" or "nominee" position by your club secretary. This ensures all communications are received in a timely manner for the training and reporting to be ready for 1 July. If you need assistance reach out to your Governor Elect.

This Month's Focus on Preparation

*Tuesday March 16, 5:30p-7:30p CT
Assistant Governor Training*

*Thursday March 18, 5:30p-7:30p CT

AGs should plan to attend all sessions

Meet your Rotary District Governors-Elect 2021-2022

Heather Stoa, District 6490

Terry Mathias, District 6510

Ray Kramp, District 6560

Kirk Bouchie, District 6580

Your District Governor Elect has prepared a PETS Orientation which will include courses in the MyRotary Learning Center. If you haven't set up a MyRotary Account yet, now's the time. Please log into www.rotary.org/myrotary and register for access. You will need your RI number (found on your Rotary Magazine) to register. From there you will have access to the Learning Center. We recommend starting with Club President Basics as a preliminary course to take prior to your PETS Orientation (or Pre-PETS).
